### Copyright

Except where otherwise indicated, the material on this site is protected by copyright, database rights and other intellectual property rights that vest in the PAN Group. All PAN's rights in the content and design of the 16pf.com website and related material are reserved.

Notwithstanding the above, users may read, print and download certain material from the website - other than third party material - free of charge, provided it is:

- for research, private study or for internal circulation within an organization;
- reproduced accurately;
- not used in a misleading context; and,
- the source of the material is identified and the copyright status acknowledged.

However, you may not make any profit from the use of that material and you may not republish, disseminate or transmit any of that material, exploit it for commercial purposes, make any derivative work or copy it for any other purpose without first obtaining our written permission or that of the rights owner.

Reference should be made to our [Use of Logos and Materials](#) for further guidance on how you can use our materials, including where you might wish to incorporate certain extracts in your own summary material. If you otherwise wish to seek permission to reproduce our materials, or have any questions in relation to such, please contact us as above.
